

Opossum Lake

Open Daily 5am-10pm

The four mile Anglers Access Trail is an easy to moderate walking trail that takes approximately two hours to complete. To encourage use, the trail has informational and mileage markers placed every half mile, beginning at the kiosk at the main parking area at the end of the access road. The trail can be hiked in either direction.

Regulations of the Pennsylvania Fish and Boat Commission apply and include:

- No motorized vehicles.
- No littering.
- No camping.
- No open fires.
- Compliance with all hunting laws and licenses is required.

Opossum Lake is a 59-acre lake situated on a 274-acre commonwealth-owned recreation area. A dam that is located on Opossum Creek, a tributary of Conodoguinet Creek, creates the lake.

Opossum Lake is very popular with outdoor recreation enthusiasts for hiking, boating, fishing and birdwatching.

There is a picnic pavilion, restrooms, a handicap accessible fishing pier, boat ramps and a floating dock, and a handicap accessible path.

Hiking: The Angler's Access Trail has wildlife and nature signs along the trail. Miles of Trail: 4

Fishing: The lake is stocked with rainbow trout.

Boating: There are three access points of which one has a surfaced launch ramp. Boating is limited to boats powered by electric motors and un-powered boats.

The mission of the PAFBC is fishing and boating; however, other recreational activities are permitted if they do not interfere with fishing.

These include:

- Hiking.
- Nature watching.
- Dogwalking (up to 2 dogs) on a leash not to exceed six feet in length.
- Bicycling and horseback riding. Bicyclists and horseback riders are asked to avoid areas of the trail that are prone to erosion and to avoid the trail during wet periods.
